

# GRACO FERTILIZER COMPANY

# 13-13-13

## Easy to Use

**\*An excellent all-purpose plant food**

**\*Ideal for all varieties of vegetables, flowers, shrubs, and trees**

### DIRECTIONS FOR USE

#### VEGETABLE GARDENS AND FLOWER BEDS

Cultivate area well before planting, pulverizing soil to a depth of 6-8 inches. Apply 1.25 lbs. (approximately 1.25 quarts) per 50 sq ft. (10' x 5') garden area, work into soil. For rows or trenches apply 1.25 lbs per 50 ft row. For supplemental feeding, apply 1/2 above amount to same area. Always water well after application.

#### TOMATOES

Apply 2 tablespoons per new plant, 1.50 lbs per 50 square feet established plants in bed and 1.25 lbs per 30 feet of established plants in row.

#### TREES

Fertilize your trees by spreading evenly to ground out under the widest spread of branches. Keep fertilizer away from tree trunk. Feed your trees twice a year (in early spring and late fall) by applying 1/2 lb of **Graco's 13-13-13** for each inch of trunk diameter. Water in after application.

#### SHRUBS AND ORNAMENTALS

In early spring, apply by sprinkling a light coating out to the spread of the widest branches at the rate of 1/2 cup to a 3 ft plant; larger or smaller shrubs in proportion. Keep fertilizer away from trunk. Water in application.

This product is not intended for nor recommended for container grown plants.

For your safety it is recommended that you keep this product (and all fertilizers) out of the reach of children. This product may be harmful if swallowed and may cause skin and eye irritation. Avoid breathing of dust and contact with skin and eyes. Wash with soap and water after handling. If in eyes, flood with water for 15 minutes and repeat if necessary. This product may stain sidewalks and drives. Sweep off any product which may have drifted onto these areas.
